We take pride in creating locally manufactured wood products that utilizes sustainable wood processing technologies to minimize the use of endangered hardwoods. Our commitment to sustainable wood production is reflected in our ever-expanding forest plantations across Nakuru County and our on-going reforestation program partnership with the Government of Kenya.

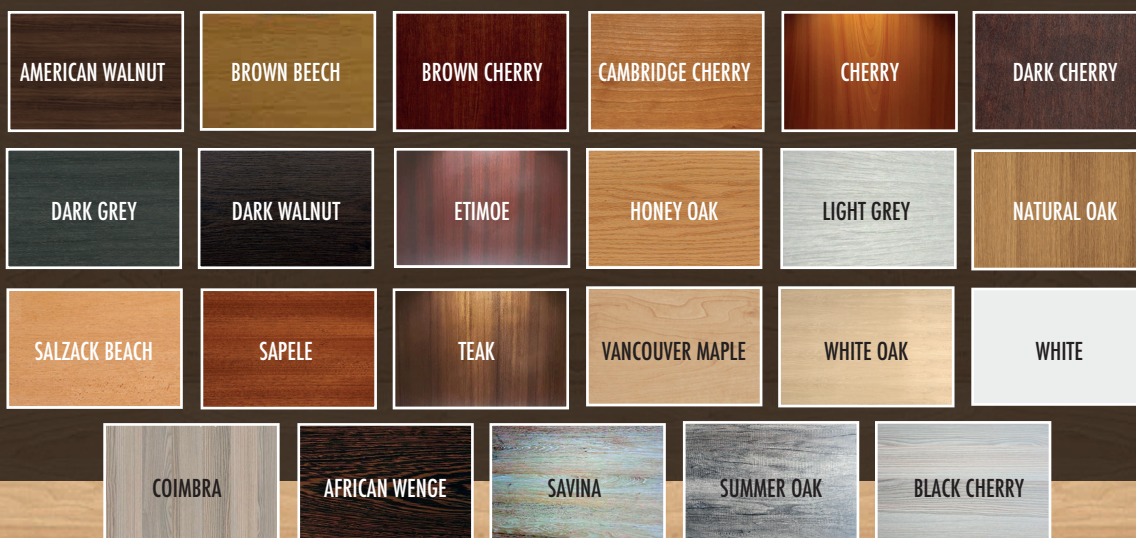

FLUSH DOORS & MOULDED LAMINATED DOORS

Create a warm welcome with our wide range of door finishes.

Whether you prefer the shine of high gloss white or glamour of black, a rich walnut or cherry, you will find the style to fit your home or office.
